Today

- Review Course Selection Worksheet and Online Course Selection
- Discuss Elective Choices
- Teacher Recommendations for English & Math
- Answer Any Questions

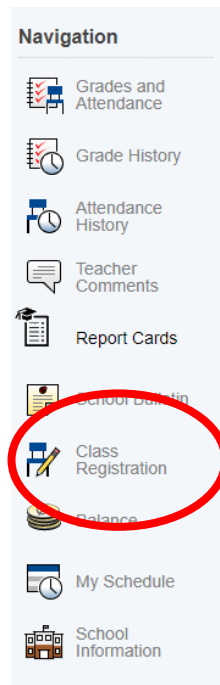

School Website

www.pch.patrick.k12.va.us

- Program of Studies
 - Choose “Families” from top menu then “Guidance” then “Class Registration Information” from the drop down menus
- Also found on the website - Links to:
 - Daily Announcements
 - School Calendar
 - Sports/Activities Schedule
 - Parent/Student PowerSchool Portal link - grades, attendance, student accounts, and more

Online Course Selection

- Log in to the PowerSchool Student Portal (patrick.powerschool.com). Emails with students' usernames and passwords will be sent out the day of their course selection meeting at the high school. If after several attempts you can not login you may have to click on the Forgot Username/Password link
- Choose "Class Registration" from the Navigation menu on the left side

Required Classes

- On the course selection website, you will see some courses are already chosen for you. Certain courses must be taken by all 8th grade students. The required courses combined with elective courses will make up your 8 total classes (4 in the fall, 4 in the spring).

The screenshot displays a web interface for course selection. On the left is a sidebar with icons and links for 'School Bulletin', 'Class Registration', 'Balance', 'My Schedule', and 'School Information'. The main content area is titled 'View course requests' and lists three required courses for 8th grade. The first course, '8th Grade Required Courses', is circled in red and includes a table of required courses. The second course is '8th Grade English' and the third is '8th Grade Math'. Each course entry includes a description, a 'Click the edit button to request a course' link, and an icon indicating the status (a green checkmark for the first course and a red exclamation mark for the others).

8th Grade Required Courses	Physical Science	Health & Physical Ed 8
You are required to take Health/PE 8 and Physical Science in the 8th grade.	4125 - 1 credits	7200 - 1 credits
